

Empire No More!

By Ken Coates,

Reviewed by Stan Newens

Liberation Vol. 48 No. 1 2005

By generating new ideas even if the outlook for their implementation is at present unfavourable - Ken Coates is playing an immensely important role. Socialists, internationalists and true radicals should read this book and also subscribe to the [Spokesman](#). It will give them access to a genuine "think tank" of the left that offers positive alternatives to another empire and the continuing degradation of a large part of the human race.
