

These are the Times: A Life of Thomas Paine

Screenplay by Trevor Griffiths

“I am reading Griffiths with envy and admiration. *These Are The Times* reads like the greatest of novels and is the most thrilling read I’ve had in years! I celebrate your master-stroke of publishing this screenplay as a book; one so readable, with the atmosphere of scene after scene described in such intricate and resonant detail, that the movie damn well already exists, whether it is actually filmed or not. It is a gorgeous pageant of American idealism, of which we have been starved during the latter half of my lifetime.”
